Beat Water Bond Issue At Mokena By 31 Votes

The proposed waterworks improvement program for Mokena was voted down last Saturday. The proposal to issue \$85,000 of bonds to meet the cost of the project lost out by 31 votes. The unofficial returns showed 163 persons voted No and 132 voted Yes.

The total vote was given as 295 and the fact there were no spoiled ballots reported is believed to have set some sort of record in voting.

Whether the proposition will be re-submitted at a later date will depend upon the action of the village board.

Proponents of the measure were disappointed with the showing. It is said there are over 800 registered voters in the village so that the number that cast ballots last Saturday amounted to about 37 per cent of the total.

There was but one polling place, the village hall, and it was open from 6 a.m. to 6 p.m. Voting was light all day. At 2 o'clock in the afternoon 186 persons had voted, so only 109 voted in the concluding four hours.

The proposed program called for construction of approximately 1.85 miles of new 6-inch and 8-inch water mains, the installation of additional fire hydrants, the repair and improvement of the elevated water storage tank and well, the installation of a master meter and a water purifier, the last item being one required by the state.

There are some areas, it was stated, that are not served by mains. People in such locations, it was explained, have water but get it thru small pipes—many of them

three-quarters of an inch—with the result that they have little pressure.

The village board had retained a financial advisor to assist in setting up the bond issue and had the proposal been approved by the voters he would have aided the village in selling the issue. He would have been paid on a percentage scale but it would

have been nominal in comparison with the amount involved, it was said. Since the bond issue was defeated, however, the firm receives no fee. The same firm retained by the village aided the Mokena school board in disposing of its bonds with considerable advantage to the district, it was pointed out.

MEN AT WORK—The upper picture was taken under the bridge on Wolf rd., north of Mokena, which spans the ditch of the drainage district. The water used to flow under the road thru a tile that was embedded in concrete but the tile developed quite a habit of stopping up. The state highway department is taking care of the situation by removing the tile and is now cutting a channel that will be lined with concrete. In the lower picture is a rig that does double duty. It has a bucket for dredging and it can also serve as a hoist as it was doing when this picture was taken. The man at the right is Lewis Hogendobler, foreman on the job.

See Tax Collections As Still Weeks Away

Whether any area taxing bodies will have to borrow to meet operating expenses until the taxes come in will depend upon how much money they have been able to lay by and how thin they can cut expenditures, it was pointed out this week. Taxes are still weeks away.

The Will county board of review has recommended that the county accept the boosted factor imposed by the state department of revenue rather than go to court and delaying tax payments for another year or longer. The action was taken after the state body refused to consider altering its decision following a conference between County Chairman Edward Liberty, Jr. and Asst. States Atty. Robert Higgins, in charge of taxes for the county, and representatives of the revenue department.

The board of review is convinced that the re-assessment it supervised merits a factor of one but the revenue department chose to hike to two per cent so the county now has a multiplier of 1.0204. A multiplier or tax factor is the figure im-

posed by the state department of revenue on the assessed valuations of a county. The theory is that such factor when used to multiply the assessed valuation will give a uniform valuation that is approximately the fair market value.

And anyway, it was pointed out, the state supreme court has given approval of the department of revenue's ratio studies and it is generally agreed that the only basis on which to make a court case stick would be to prove that the department of revenue was so greatly in error that its ruling amounted to "fraud."

Now the books as completed by the board of review will have to be refigured. The IBM department is doing this. The county clerk's office must then extend the taxes, which is to say set the rates for each of the taxing bodies. This is a complicated business, setting rates, but with the IBM office operating the clerk's office will not have to prepare the collectors books.

Officials have indicated they will make every effort to get the bills out so tax collections may begin but

no one will definitely say when this will be. Those in charge hope that the bills will get out by Sept. 1 or at least early that month.

It is not expected that the various taxing bodies will receive any real estate or personal property taxes until possibly October or maybe the first of November, a spokesman said, but added that this was more speculation on his part.

Villages and the county get some money in from the states sales tax each month, but the schools have only some state aid money in prospect until the taxes come in, it was pointed out. For that reason various taxing bodies have either sold tax anticipation warrants to get cash or will take steps to do so.

If tax money is not available until October or November, it was said, most taxing bodies will have to borrow to meet bills.

All taxes will be payable Sept. 1 but if the bills shouldn't be ready then there would be no penalties, it was said. Personal property bills will be sent out as well as those on real estate.

Cooper Family Will Hold Its 114th Reunion

The Cooper family will celebrate its 114th anniversary Sunday, July 26 at the Lester Sayers farm, 159th and Wolf rd.

Rain or shine the affair is to be held on the appointed date.

Thomas Cooper and his wife, Eleanor, came from England, in 1850 and settled on a farm in Orland township. That was in July.

As the family grew and set up homes of their own it became the custom for them to hold a reunion in July and the custom has become tradition.

This year a potluck dinner will be served at 12 noon, followed by a program and games.

All Coopers, from far and near, are sure to attend.

The Methodist Youth Fellowship of Green Garden Methodist church will go to the sand dunes Saturday, July 18.

The Rev. and Mrs. James Swain and family attended camp at Reynoldswood this past week.

The WSCS of the Green Garden Methodist church met in the church parlors last Wednesday afternoon. Mrs. William C. Bettenhausen was program chairman, assisted by the program committee members. The topic was, "Co-operation With Other Denominations." Hostesses for dessert-coffee were Mrs. Stuart Vanderbilt, Mrs. Fred Diment and Mrs. Roger Ullrich.

Betsy Bettenhausen, daughter of Mr. and Mrs. William C. Bettenhausen, has just returned from attending the girl scout camp, Na-Wa-Kwa at Poland, Ind.

Mr. and Mrs. Clem Geuther and Mr. and Mrs. John Farrel and son of Pan Handle, Texas are visiting with Mr. and Mrs. William Rahm. They will visit other relatives and friends while here.

The Green Garden Home-

makers Unit met at the home of Mrs. Edwin Dralle Friday afternoon. Roll call was "Are You A 4-H Family?" Mrs. Siegfried Beckman was the major lesson chairman, the topic "Chronic Illness and Ageing," and the minor lesson, "One-Two, 4-H Girls Responsible" was given by Sherri Dralle who demonstrated pineapple frosted squares.

The annual Heiland reunion was held last Sunday at the home of Mr. and Mrs. Albion Johnson at Andres. A potluck dinner was served to about 30 members and supper to 40.

Games were played and prizes awarded. Mrs. Allen Heiland was elected president for next year and Mr. and Mrs. Norman Lorenzen will be the hosts. Guests were from Frankfort, Joliet and Lockport.

Susan Lorenzen, daughter of Mr. and Mrs. Norman Lorenzen was honored on her 10th birthday anniversary last Tuesday evening, when a group of 20 young folks enjoyed a hayrack ride and later a weiner roast, birthday cake and ice cream. Adults who attended were her two grandmothers, Mrs. Martha Piper of Peotone and Mrs. Mary Lorenzen of

Frankfort, Mrs. Louis Pence and son of Peotone, Mr. and Mrs. Harold Ebert of Frankfort and Mr. and Mrs. Norman Stuenkel and family of Crete.

Mr. and Mrs. Earl Bettenhausen and Marie Ann visited with Mr. and Mrs. Edward Long at Lockport, Sunday evening.

Recovering From Neck Fracture

Roderick Weber, 17, son of Mr. and Mrs. Harold Weber, 360 W. Francis rd., New Lenox, a junior at Lincoln-Way high school, is in Silver Cross hospital with a broken neck as a result of a diving accident.

He was swimming in a farm pond near Manhattan and dived where it was too shallow. The youth complained of neck pains when he emerged but went on home. His parents were on vacations. When he awoke the next morning the pain was worse and it was difficult for him to move his head.

His 19-year-old brother Terry took him to the hospital where x-ray pictures revealed that the neck was broken.

Roderick is in Room 118. He is doing fine and is looking forward to visitors.

The parents were reached on their vacation trip by state police and returned home immediately.

A better mouse trap

Build one, the saying goes, and the world will beat a path to your door...

Perhaps. But sometimes, even in this modern, fast-moving world in which we live, we're smart enough to know when we've got a good thing going for us -- and leave it alone. Classified Ads are one of these rare and special things.

Classified Ads haven't changed much since the first one was published centuries ago. They're still not very fancy and they're still not very expensive. They just get things done for people ... all people. There's still no better way to get a job, rent a room, find a child's lost pet or tell someone "All is forgiven, come home" than through a far-reaching little Classified Ad. They put people in touch with other people, and by doing that, they fill needs ... they solve problems.

Today, more smart, modern families than ever before are using Graphic Newspapers Classified Ads to add the extra cash to their incomes that means better, easier

living. You can too. It's easy. Here's all you do.

Look around your home and make a list of every worthwhile thing you find that really isn't being used or enjoyed anymore. Things like sports equipment, appliances, tools, rugs, musical instruments, outgrown baby furniture, clothing and toys, motors, outdoor grills, porch furniture -- even sets of books. All of these things, and the others you find, are worth good, hard cash to someone who needs them.

When you have your list, just Phone any time between 9 a.m. and 5 p.m. for the experienced Ad Writer who's waiting to help you. That's all there is to it ... And, a 2 line ad is only \$2 for 2 weeks on the special Family Rate.

Put the proven power of Graphic Newspapers Classified Ads to work for you today. True, they haven't changed much through the years ... but maybe that's because the very people who build the better mousetraps depend on Classified Ads, just as they are, to get them sold.

DRAMA AT DRIVE IN -- Charlton Heston and Ava Gardner enjoy a gay moment in "55 Days in Peking". The drama, playing Saturday at the Bel Air Drive In, takes place during the Boxer uprising in China in 1900.

Suchor Heads Little Gallery Of Art Center

Martin Suchor, head of the art department at Carl Sandburg, has been named director of the Little Gallery of the Park Forest Art Center for 1964-65. In his position he will be responsible for producing monthly shows by professional artists.

Suchor, who lives at 443 Dogwood in Park Forest, said that his first show, which opens on August 1, will feature the paintings of Hugo Piper. Other shows will spotlight painting, sculpture, photography, and architecture. One exhibition will feature student work.

"All the work will be of good quality," Suchor said, "it will be really profes-

sional. We are not interested in amateur work except for the student show."

C. OF C. WILL POST 'GOLF CENTER' SIGNS

Permits were granted to the Orland Park Chamber of Commerce Monday night by the village board to erect five signs on approaches to the community.

The signs will read Orland Park Welcomes You to the World's Golf Center. This is a new slogan adopted of the Chamber and approved by the Village board.

One sign will be placed at the south limits on U.S. 45, one at the north limits on Route 7; one at the north limits of U.S. 45; one at the east limits and one at the west limits on 143rd st.

Several other sign permits were granted but with the provision that in the event they do not conform with a new sign ordinance that is in the making they will have to come down.

Two building permits were approved for Cliff Mohling in his subdivision and 36 permits were approved for homes in Fairway Estates.

Rosari Cosentine, who has purchased a gasoline service station on South-west highway, plus additional property 225 feet long, is to come before the board at its next meeting with plans for improving the property by erecting a coffee shop, 30 by 29 feet, as a part of the station.

John Meyers, a builder, was advised to open a tile on Highland avenue so that surface water may follow its natural flow.

Zinn Makes Olympic Team Again --- Will Heel And Toe At Tokyo

A graduate of Carl Sandburg high school who calls Orland Park home, will make the trip to Tokyo, this fall as a member of the U.S. Olympic team. He is Ronald Zinn, 25, now 1st. Lieut. Zinn -- son of Mr. and Mrs. Lloyd W. Zinn, 13521 Elm.

This will be the second trip for Ronald as a member of the U.S. Olympic team. When a cadet at West Point he competed in the Olympic Games at Rome, the first time a West Pointer competed in the Olympics as a cadet.

Zinn is a walker, a heel and toe man. Under the rules of the sport the heel of one foot must touch the ground simultaneously with the toe of the other. Judges are assigned along the courses to see that this rule is followed--violation means disqualification.

The pace maintained by these walkers is terrific--they call it walking and it is walking, but when they pass one feels the breeze. Ron has a sister, Joy, who graduated from Sandburg this June and while in school she participated in girls' track and did a lot of running. She would join Ron occasionally when he was working out -- he walking, she running, and her complaint was that she couldn't keep up. He has a brother at home too, Gerald, a student at Joliet Junior College.

Ronald has walked a mile in six minutes 14 seconds and while super runners have been going the mile under four minutes, there are still a lot of 5-minute miles being run so when one walks it in six he is moving.

Ronald qualified for the Olympics this year at Pittsburgh on July 5. One should really say that he has qualified for the 20 kilometer

walk (12 1/2 miles), beating out Ronald Laird, of New York, another famous walker and 50 kilometer champion. Ronald is going to try out for the 50 kilometer (31 1/4 miles) event in September and if he makes that he will be entered in two events at Tokyo.

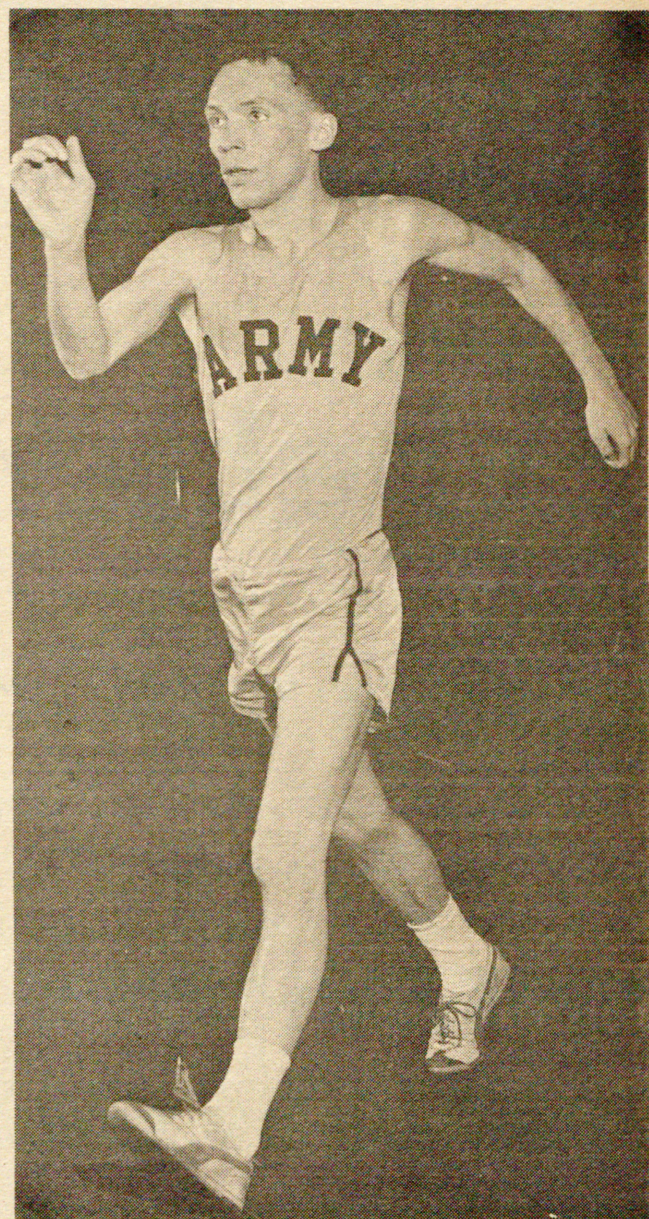

Zinn and Laird have been competing for a couple of years and alternating wins frequently.

If you are a person who likes to know why people do certain things you may wonder how it is one embarks on an athletic career as a walker. In Ronald's case, his mother explained, it was because his feet hurt when he ran. When he was in high school Ronald played baseball and also when spring came he went out for distance running. That was when he encountered tendon trouble, this mother explained, and had to give up running. He had watched the walkers and tried it out for exercise. He found that while it hurt him to run he could walk without any unpleasant effects. So he became a heel and toe man and with such effect that he has won dozens of meets.

In a corner of the family room at the Zinn home are several dozen cups, trophies and medal representing winning efforts. He also has finished second at other meets, and in 1962 he won the Sullivan Award, which is given in memory of the famous walker of that name.

Ronald has walked in the east, the west, the north, the south and the midwest and has toured Europe twice with the U.S. track team in 1961 and 1963.

Mike Riban, of Chicago, has been coaching Ronald -- mostly by mail and results would indicate he has been doing a good job. Ronald

LIEUT. RONALD ZINN

himself has been doing some coaching in walking himself at West Point.

Ronald graduated from Carl Sandburg high in 1957 and attended Cornell college at Mr. Vernon, Ia. for a year and then entered West Point in the fall of 1958. He was graduated from the academy in 1962 and is now stationed at Ft. Devens, Mass. . . in the infantry, which does quite a bit of walking too.

Ronald walks 10 to 15 miles a day to keep in shape, his father said. Had Ronald showed up at the White House during all that talk about

50-mile hikes they probably would have had him disqualified within the first half mile as a ringer.

He is 6 feet tall and weighs 147 pounds. He will lose from five to eight pounds in a race.

Later this month, July 25 and 26 he will compete in a meet in California between the United States and Russia. Ronald has walked the 20 kilometers in an hour and 35 minutes and he won the 35-kilometer event (21.8 miles) in 3 hrs. 22 min. 56.6 sec. Try that out for size sometimes.

State Buys Sculptures Of 2 CSHS Art Students

Metal sculptures by two Sandburg art students have been added to the permanent collection of the Illinois State Museum at Springfield. As part of the museum collection (pictures inside) they will be displayed with works by some of Illinois' finest artists.

"Acrobats" by Ronald Babcock of 10115 S. 81st Court in Palos Hills was purchased by one of the men in the Art Division of the museum. The second piece, "Amphibian" by Jim Kwiatkowski of 8101 S. 130th St. in Palos Park, was purchased by the curator of the Art Division.

Both pieces had been on exhibit at the museum for the past month in a student show. William Bealmer, supervisor of art education, said, "There were many comments on the fine quality of sculpture which was submitted by students of Carl Sandburg High School."

Both pieces were done in Art III class last year and Martin Suchor, instructor, said that the boys were work-

ing in the same material only by chance. The primary emphasis of the class is upon sculpturing and painting.

Both pieces were shown at the Chicago Arts Festival at McCormick Place earlier this year.

Annual Art Show On Sunday At Park Plaza

Ridge Art Association's ninth annual art fair to be held Sunday, July 19, at the Evergreen Plaza Shopping Center, is expected to be the best ever, according to those in charge. The fair will be held, rain or shine, from 11 a.m. until dusk. The plaza has been enlarged and there is ample parking space on both levels.

No matter what style of art one prefers, it can be found at the Ridge art fair, the committee says and all work is for sale. Over one hundred artists will be exhibiting; work will be on display in store windows on the 16th, 17th and 18th

THE LLOYD ZINNS, of 13521 Elm st., Orland Park, take justifiable pride in the achievements of their son, Lt. Ronald Zinn, now stationed at Ft. Devens, Mass., as they look at some of the trophies and medals he has won in the past five years as a champion heel and toe distance walker. He went to Rome as a member of the U.S. Olympic team in 1960 while a cadet at West Point and will go to Tokyo as a member of the U.S. team this year. He has qualified in one category and hopes to qualify for another this summer. He was graduated from Carl Sandburg high school in 1957. He has amassed a considerable collection of trophies and naturally the parents are proud of the fact but the mother is practical too. She is glad that Ronald has won all these but sometimes wishes there was a dust proof glass case to keep them in.

Arbury Hills

Plans Open House Party To Assist Kindergarten

MRS. EDWARD HOVI Telephone: 479-5740 Mrs. Edward Blecha of 9425 West Pine ave. will hold an open house party at her home for the benefit of the Arbury Hills Kindergarten Organization. It will be held on Tuesday, July 21. The open house will be conducted from 10 a.m. to 12 noon; 2 p.m. to 5 p.m.; and from 8 p.m. to 9 p.m. Everyone is invited to attend this open house, and refreshments will be served. The entire proceeds from this venture will be donated to the Kindergarten organization which has not held any fund raising projects in some time.

This is a reminder to all girls in the girl scouting program, who have signed up to participate in the day camp to be held at Van Horne Woods next week, from Monday, July 20 through Friday, July 24.

The bus will leave the school at 8:15 a.m. and return at 4:15 p.m.

On the first day the girls are required to bring a sack lunch, milk being provided there, and the additional days lunch will also be furnished.

Beginning with the second day each girl is to bring a mess kit; including a cup, plate, and eating utensils, a pocket knife, eight feet of rope, and their sit-upons a head scarf, and a sweater.

They are to be dressed preferably in slacks and peddle pushers are permitted, if long socks are worn for hiking.

No thong sandals to be worn. The mess kit is not to be made of plastic, and a dunking bag is to be brought for washing dishes.

Mrs. Barry Diercouff attended the Busy Homemakers Extension Unit, a branch of the 4-H program from Frankfort, on July 1 at the home of Mrs. Tom Gunhouse.

She was elected second vice chairman of the group, and is responsible for promoting membership. Any interested ladies of the area who might be interested in 4-H activity should contact Mrs. Diercouff at 479-5068 for further information.

A threesome of mothers from Arbury Hills took their children to see the Bozo's Circus TV show last Thursday.

Mrs. Donald Munday had her two children, Michele and Laura; Mrs. Jack Cook brought her two children, Gwyn and Kurt, and Mrs. Edward Blecha came with two of her three children Sharon and Edward, the baby staying with grandma.

The children received token gifts from the show and enjoyed their excursion.

Mr. and Mrs. Keith Mill-

er of 9425 West Elm avenue became the parents of their fourth child, Nancy Ellen. She was born at the Silver Cross hospital, Sunday, June 28 & weighed 7 lbs. 13 ozs.

Ronnie and Keith have three other children; Gary, four and one-half; Tracy their three year old daughter, and Kerl who was one year old on July 10.

Grown-Ups Too, Enjoy Wizard Of Oz

If the laughter and applause of hundreds of children signify a successful performance, the Reavis Summer Theater's production of the "Wizard of Oz" is just such a success. The first two performances, which were staged at Reavis high school, were praised by parents and cheered by the hundreds of youngsters who were present. Miss Brandt, teacher of speech and dramatics at Reavis high school and director of this group, and her cast of area high school students invite parents to bring their children to see this classic children's musical. The brainless Scarecrow, the heartless Tin Man, and the cowardly Lion are waiting to provide the youngsters with a delightful and fun-filled hour's entertainment. And Dorothy, who is blown into the Land of Oz during a Kansas cyclone, invites them to sing and dance down the Yellow Brick road with her, as she and her friends go to see the Wizard of Oz.

Reavis Summer Theater Productions will stage the final two performances of the "Wizard of Oz" Saturday and Sunday, July 18 and 19, at the Village Courtyard, 123rd and 81st street, in Palos. The play will be performed Saturday at 2 p.m. and Sunday at 8:30 p.m. Tickets may be purchased at the door or by calling GA 4-7200. The price is \$2 for adults, \$1.50 for high school students, and 50 cents for children in grammar school.

The Reavis Summer Theater Productions will conclude its season with the Broadway musical comedy "Bye Bye Birdie", at the following places, Aug 3 and 4, at Oak Lawn high school, 95th and Southwest highway; Aug. 5 and 6, at Reavis high, 77th and Austin ave.; and Aug. 7 and 8, at the Village Courtyard. These performances are all scheduled for 8:30 p.m.

66 Runs In Two Games--- Bombers Live Up To Name

The Mokena Lounge softball team, known as the Bombers, were just that over the week-end, piling up 66 runs in two games.

On Friday night the Mokena outfit laced the Three Deuces of New Lenox on the NI-Gas Co. field off Gougar rd., by a score of 33 to 10.

Warren Nelson led the Bombers attack with three consecutive homeruns. Ken Pearson and Wesley Nelson also homered.

Fire Chief Bob Rust, who was on the mound for the Mokena team, was felled by a line drive in the sixth inning off the bat of John Sullivan, the New Lenox pitcher. The hard driven ball struck Rust on the left eye but he refused to leave the game and after some repairs he resumed play and finished the contest.

Distaff Golf

By Birdie McDivott

This week's 5th and 6th place winners for the golf balls at the Willow Run Women's Golf Club were Toot Muehler with a net 51 and Bea Olsen with a net 59. Helen Chandler had a net 39 and Vera Richardson, a net 40 for 1st and 2nd place; while Esther Hug, with a net 44, and Dorothy Loucks, with a net 47, came in 3rd and 4th. Next week 1st and 2nd place will be awarded the golf balls.

Only two of the match games were played this week. Helen Chandler beat Toot Muehler, 3 and 2, and Vera Richardson beat Bea Olsen, 5 and 1. We will continue these matches when the vacationers return.

Golf sometimes causes people to do queer things. One distaff member is talking to herself as she makes the rounds. We hope this isn't anything catching.

What member, who bundled up because of a cold, ended the day with air-conditioned slacks because of her enthusiastic playing which split them from stem to stern.

See you next week?

Community park diamond in Mokena the Lounge Bombers again scored 33 runs to 12 for their opponents, a team of Mexicans from Joliet.

On Sunday John Reany duplicated Warren Nelson's feat of clouting three homers in a row, Nelson having to be content with two. Ken Pearson, Gene Hug and Wesley Nelson also homered twice. Hug got credit for the win, with Pancho Diaz tagged for the loss. "Shoeless" Steve Udelle, who sponsors the Mokena team, got credit for two fine defensive plays in left field.

This Friday night the Bombers give the New Lenox crew a return game at Community park and Oak Lawn will have a team at Mokena on Sunday.

DID YOU KNOW...

Did you know that smoking one cigarette cancels the amount of vitamin C supplied by one orange? This means one package per day would neutralize about 500 mg of Vitamin C.

Also that summer brings the added stresses of heat, sunburn, rash, perspiring, allergies, diarrhea, and air-conditioning colds.

No wonder you don't feel up to par, this essential vitamin, along with the B-complex vitamins, are not stored by the body, and must be replenished every day.

Milwaukee Stock Car Race Draws Top Drivers

LINE-UP -- Tinley Park entries, Bob Geotsch (Car. No. 25) and Gary Bettenhausen (Car. No. 99) await the word to start their engines prior to the beginning of the 200-mile stock car race at the Milwaukee Fair Grounds track Sunday.

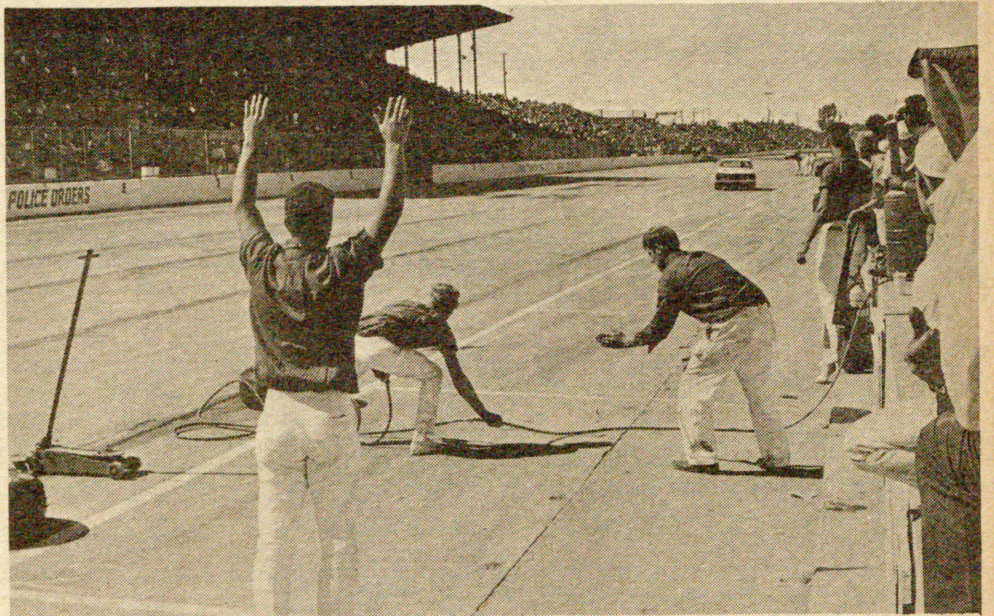

FATIGUE -- and it is plainly apparent in the face of Bob Geotsch as he pulled into his pit after completion of the race to receive the congratulations of members of his pit crew, Orville Knieriem, of Frankfort, and Art Bormet, of Orland Park. Geotsch, who lined up in 3rd position and therefore started way back, finished 12th.

GO -- Chief Mechanic Harlan Bettenhausen waves Geotsch on after receiving his signal that everything was running smoothly. This race, Geotsch's first competition, netted \$660 in prize money and brought the young driver -- he's 23 -- several offers for his services as a driver in future races.

Bob MacDonald

PIT STOP -- (above) Al Waldvogel, of Frankfort, lays out the tire hose checked by Dave Kuech, of Tinley Park, as Art Bormet guides Bob into position. The car, a 1963 Plymouth sponsored by Midlothian Auto Parts, performed excellently.

THE CLOCK -- (below) Checking one of Bettenhausen's early laps are Chief Mechanic Bob Kent, of Tinley Park, and Mechanic Dean Taylor, of Orland Park. A fuel pressure malfunction that defied correction, forced Gary out of the race shortly after the start.

PLANS were in the making here by Gary Bettenhausen and an unidentified mechanic prior to the race went out the exhaust, so to speak, because car failure forced him out while the race was young. Gary collected \$165 however, awarded 25th place.

Joliet Diocese To Aid Churches And Schools

The diocesan expansion fund collection to be taken up in churches throuout the diocese on July 19, will afford members of the diocese of Joliet an opportunity of helping the church to continue to meet the needs of an ever growing population.

The so-called population explosion is seen statistically in the diocese. In 1963 there were 6,669 infant baptisms and the Catholic population reached a figure of 250,000 in that same year. The growth still continues.

School additions were begun in these parishes during the past 12 months since the last diocesan expansion fund collection. St. Joseph parish, Addison; St. Joseph parish, Bardley; St. Isidore, Clov-

erale; St. Teresa parish, Kankakee; St. Joseph parish, Lockport; St. Pius X parish, Lombard; St. Mary parish, Naperville; St. Mary parish, Park Forest; St. Andrew parish, Romeoville, and St. Scholastica parish, Woodridge.

St. Dominic parish, Colonial Village and St. Philip parish, Addison, the diocese' newest parishes are in the middle of their building programs.

The funds realized from the annual expansion fund collection go to help these and other parishes meet the debt incurred by the necessary building programs. The collection particularly enables those parishes without large debts to share with their neighbors who have incurred large building debts.

subscribed to by Miss Betty Lehmann, Mokena, who has returned home after eight months abroad.

Last Nov. 1 Miss Lehmann boarded a Norwegian freighter, "Hoegh Silverwave," at New York, bound for Bombay, India. Thirty-five days later (Dec. 5) the ship reached its destination where Miss Lehmann was met by her brother and sister-in-law, Mr. and Mrs. Fritz Lehmann. Lehmann had been studying at Patna university thru a scholarship from the University of Wisconsin to obtain material for a thesis.

Miss Lehmann was one of 10 passengers aboard the freighter that carried a crew of 50. The captain had been planning a big Thanksgiving dinner for passengers and crew but when news of the assassination of former President Kennedy was received the celebration was cancelled.

However, on Dec. 1 when the ship was in the middle of the Indian ocean, there was a party held, a surprise party for Miss Lehmann whose 19th birthday fell on that date. This was one birthday she will remember, she said.

Upon arriving at Patna Miss Lehmann employed a Hindu to tutor her in the Hindi language. After two months she was able to converse with the natives and read the advertising signs. She also took up dancing, learning the Manipul dance, in which the movements represent a story in Hindu mythology. Attending native weddings and sightseeing in Bombay, Delhi and Calcutta occupied some of her leisure. The cheapest mode of transportation there, she said, was cycling and the trains.

At Patna the traveler became acquainted with an American family, Prof. and Mrs. W. J. Hauser. A professor at the University of Virginia, Mr. Hauser was at the university in Patna to study Indian politics.

At Christmas time the Hausers and the Lehmann families were unable to get a fir or spruce tree so they used a banana tree instead and decorated it with strung popcorn. On Christmas day gifts were exchanged and American and Indian songs

BETTY LEHMANN

sung by the travelers and native friends.

Two months before leaving India the Lehmanns were guests in the home of Mr. and Mrs. N. Prasad and their eight children. The Prasads "adopted" the Americans as part of their family.

The Lehmanns left Bombay May 25 on the Italian ship, "Roma," and had a two week's sightseeing trip that took them to Germany, Austria, Switzerland, Liechtenstein, Belgium and England.

At London Miss Lehmann boarded an Air India plane for New York and transferred there to American Airlines for the remainder of the journey home.

On the Fourth of July holiday Miss Lehmann had an opportunity to renew friendship with Dr. and Mrs. K.K. Sinha, the eldest son of the Prasad family. The couple were guests at the Lehmann home and then went to St. Louis where the doctor is taking his internship in the Lutheran hospital.

Miss Lehmann considers herself fortunate in having had the opportunity to travel abroad and live with the people of India. She is still waiting for her baggage, which contains costumes and other mementos of her trip, to catch up with her.

In September she will return to MacMurray college at Jacksonville as a sophomore. She has a four-year scholarship there. She is majoring in English which she intends to teach.

Hire Six New English Teachers At Sandburg

Six new English teachers have been hired by District 230 for the coming school year, according to W. O. Fisher, superintendent. As a group, they have a total of 286 hours of credit in English, an average of 67 hours of work each. Most colleges require 24-30 hours for a major.

Miss Betty Ann Borchers of 209 W. Ash st., Normal, will teach at Carl Sandburg.

A native of Danforth, she holds a B.S. from Illinois State University. She has worked as a statistician, playground supervisor, switchboard operator and receptionist. She has a minor in psychology.

Miss Kathleen Drueger of 8820 W. 121st St. in Palos Park has been a substitute teacher for the past several years. A graduate of Northern Illinois University, she has 41 hours in English.

Miss Deanna Reisse of 38 Colby Avenue in Rye, N.Y., did her undergraduate work at Ursinus College in Collegeville, Pa. She has begun work on her masters degree at Hunter (N.Y.) College. For the past two years she has been teaching at Haverstraw, N.Y.

Miss Judith Runkle of 202 W. Mulberry in Normal will receive her masters degree from Illinois State University in August. A native of Dallas, Wis., she did her undergraduate work at Wisconsin State college. She will also teach speech.

John Stolt of Hayti, Mo., will take a combination of English and physical educa-

Miss Ruth VanWitzenburg of 12033 LaSalle St. in Chicago will also teach English. She has her B.S. degree from Hope College in Holland, Mich.

Birmingham as her headquarters. She also spent several days in London and Liverpool where she visited with former Mokena residents, Mr. and Mrs. Gordon Holleman and family who sent greetings to their Mokena friends.

Returning with Mrs. Miller was Miss Mary O'Shaughnessy of Birmingham who is seeking work in this country in an office position. She was formerly employed with the Goodyear Tire company in England and is at present a houseguest in the Clarence Miller home.

Mr. and Mrs. Louis Richards and sons, Clark and Dale, are now at home on Hilltop Road following a three-week vacation in Oregon and Washington. They visited Mrs. Richards' sister in Portland, Ore., and another sister and father in Pendleton, Oregon. In Washington, they visited Mr. Richards' sister, his parents, and grandparents in Olympia, Washington. He assisted his father show twelve head of Scotch Highland cattle at the American Scotch Highland Breeders Association National Convention and Show in Chehalis, Washington, June 28th. The family returned to O'Hare by jet July 5th.

The Lutheran Youth League of Immanuel Lutheran church is sponsoring a paper drive July 18, beginning at 1:30 p.m.

For pickup call Barbara Ebert at 479-3771. Papers may also be left at the church.

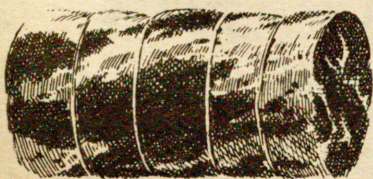

There were three prize-winners in the Fourth of July parade at Mokena sponsored by the Mokena Chamber of Commerce and the Lions club. It already has been announced that the Mokena Woman's club was a winner but inadvertently omitted were the other two -- the Yunker Implement Co., of Orland Park, and the Dominos, the girls color guard sponsored by Bobzin-Swinford American Legion post of Frankfort. All received trophies.

Majority Oppose Medicare in Poll

Use of private, voluntary health insurance programs to provide medical care for the aging was favored by 78 per cent of the more than 16,000 persons responding to a questionnaire from Rep. Edward J. Derwinski (R.-Ill.).

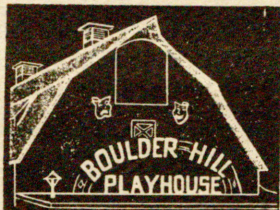

Some 65 per cent of those responding said they were against increasing social security taxes to finance such care as is proposed in pending "Medicare" legislation.

St. Jude Pastor Will Train Teachers For CCD

MRS. DELORES ANDERSON

Telephone: 485-3651

Father Louis Antl, OFM started a series of instructions on Tuesday evening, July 7, for CCD (confraternity of Christian Doctrine) teachers training.

The summer series, consisting of eight weekly sessions will be the first half of the sixteen instructions required for a CCD teachers certificate. The sessions will be run from 7 to 9 p.m. each Tuesday evening. The last eight classes will be held later in the fall.

The course is open to anyone in the parish who would like to join in the efforts of the CCD.

There will be a definite need for grade and high school teachers in the CCD school. These eight ses-

sions, once a week, will give you the basis to become a teacher. Teaching in the CCD school is a very rewarding experience. It is not a real difficult task either. Time must be put in each week to prepare lessons, especially after attending the summer session on basic Christian Doctrine.

Those interested are asked to call St. Jude's Rectory.

The directors of the New Lenox Lions Club met July 8 to finalize plans for their annual carnival to be held July 24 and 25 at the Lions grounds on South Cedar road.

Miss Dotte Jean Anderson returned home over the week-end from Saugatuck, Mich. where she spent a week vacationing with her grandparents, Mr. and Mrs. A.W. Walsh.

Mrs. Freida Schroeder of Brandon, Fla., and Mrs. Lilian Boutwell of Little Rock, Ark. are vacationing here at the home of Mr. and Mrs. Earl Schroeder and family.

Mrs. Betty Orey and four children of Overland Park, Kansas visited here Monday with Dr. and Mrs. Leo Mursky and family, enroute to their home from Hastings, Minn. where she visited with her parents. Mr. Orey has gone into business for himself at Overland Park. They are former residents.

Wayne Klasing of 130 Oakview, was cited on the Bradley university's Dean's list.

One in a series to help you enjoy better telephone service

How to "get your money back" if you reach a wrong number

Here's what to do: Dial the Operator

... Dial "O" for the Operator and tell her the town you reached by mistake.

She'll see you are not billed for the call — and help you get the right number, too.

There's no need to tell her about wrong numbers within your free-calling area; they carry no extra charge anyway. (The front pages of your telephone directory list the places within your free-calling area.)

Coin Phone Calling

... If you called from a coin phone, either local or Long Distance, the Operator will connect you to the number you want or see that a cash refund is mailed to you.

Condition Of Fire Victim Satisfactory

The condition of Paul Doak, 3 year old son of Mr. and Mrs. John Doak, Haven ave., New Lenox, who has burns on 40% of his body as a result of being caught in a barn fire July 3, is reported as satisfactory.

He is in Silver Cross hospital.

Paul was carried out of the blazing barn by his 8-year old brother, John Jr. His back and legs and one side of his face was blistered from the extreme heat projected by the burning hay and straw. Paul had been lying on his stomach therefore the front of his body escaped burns.

Paul and Robert, 5 years old had been playing in the barn. The loft was filled to the roof with baled hay and straw. Spontaneous combustion was believed to have caused the fire. The barn was a total loss.

GROWING THROUGH SERVICE TO WILL COUNTY

AT MIDYEAR -- FURTHER STEPS IN GROWTH AND PROGRESS...

SAVINGS — As indicated by the semi-annual dividend distributed on June 30, savings have increased during the first six months of 1964 by a substantial amount. The \$2,092,937.98 in dividends, in keeping with these further steps in growth and progress, was the largest ever distributed for any 6-month period in our 30 year history.

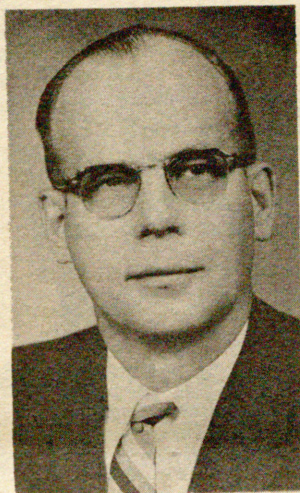

HOME FINANCING — During the first six months of this year, 408 families have financed their homes here. This too is an indication of prosperity. In a way both Joliet Federal and you are investing in Will County. These home building dollars flow back into the community creating more jobs, building stronger businesses, increasing property values . . . continually adding to the prosperous growth, stability, economic virility and beauty of Will County.

A MESSAGE TO OUR FRIENDS

With assets now standing at \$116,734,437.37, Joliet Federal provides its savers with unmatched strength and solidarity. But size alone is of less importance than the benefits it enables us to provide for our savers and borrowers. In attempting to make thrift attractive and rewarding, Joliet Federal helps to promote the financial well-being of individuals and families. For it is the practice of thrift through savings that enables a family to raise its standards of living and enjoy the better things in life. Much of our growth and strength is due to the fact that we are a Federally-chartered association. The only one in Will County. We are supervised by and our accounts are insured by agencies of the United States Government. More important, we are mutually owned by you, the account holders, and Joliet Federal management is accountable to you. We look forward to continued opportunities to serve your savings and home loan needs.

MR. AND MRS. ARTHUR H. MAUE

Betty Stellwagen And Arthur Maue Wed At Marley

Church bells rang at the Marley Baptist Community church at 8 o'clock the evening of June 7 for the candlelight wedding of Betty Jean Stellwagen and Arthur H. Maue.

The Rev. Ian Brown officiated at the double ring ceremony which united the daughter of Mr. and Mrs. Harwood Stellwagen, Tinley Park and the son of Mr. and Mrs. Owen C. Maue also of Tinley Park.

The bride, escorted by her father to an altar festooned with a bouquet of white gladioli and chrysanthemums, wore a silk organza gown with long pointed sleeves. A sabolna neckline of alencon lace framed the bodice of the princess drawn gown that were appliqued with lace and pearl insets. A detachable wateau train was made of the same lace. Her double tiered crown of lace and pearls was encircled by a three tier elbow length veil, and she carried a cascade of white daisies and stephanotis. Her pearl necklace and earrings were a gift from the groom.

Preceding the bride up the aisle was her sister Diane serving as flower girl wearing a sheer blue nylon over taffeta dress and carrying a basket of yellow daisies.

Attending her sister as maid of honor was Miss Joan Stellwagen while Kay Maue, sister of the groom, was bridesmaid. They were attired in identical dresses of sheer blue nylon over taffeta sheaths with square neck and elbow sleeves. Floor length overskirts were detailed with circular closing ending in a bow. They wore dyed to match headpieces shaped into double roses encircled by a nylon veil and each carried one long stemmed yellow rose. Their pearl

necklaces and earrings were gifts of the bride.

Miss Mary Jane Stellwagen, sister of the bride, served as candlelighter and Miss Wilma Maue was organist. Guest soloist was Daniel Sass, singing "Wedding Prayer".

The bridegroom was attended by Ralph Jackson of Wilmington as best man and Lee Yunker of West Chicago. Ushers were Robert Stellwagen of Berkely, Calif., and John Stellwagen of Tinley Park, brothers of the bride.

The bride's mother greeted guests wearing a dress of blue silk with white accessories. Completing her attire was a corsage of yellow roses. An identical corsage complemented the green silk linen sheath with matching jacket and white accessories worn by the bridegroom's mother.

Mrs. Robert Stellwagen assisted with flowers and Miss Bonnie Sproat attended the guest register.

The reception was held on the church lawn immediately following the ceremony with Mrs. Gerald Nelson of Bloomington, Miss Carol Ann Fairchild of Santa Cruz, Calif., Miss JoAnn Kovachovich of Peoria, and Miss Jane Griffin of Marley serving.

The newlyweds motored to Dale Hollow in Tennessee. The bride and groom received bachelor of education degrees from Illinois State university at Normal on June 6. The couple is residing in Bloomington for the summer while the groom does work toward a master's degree. They will both teach in the Belvidere grades school system the coming school year.

Ruth Ann Rainford Becomes Bride Of Alvin E. Brock

Wedding chimes at 3 o'clock the afternoon of June 14 in Frankfort Methodist church were for Miss Ruth Ann Rainford and Alvin E. Brock.

Rev. James Parker officiated at the double ring ceremony uniting the daughter of Mr. and Mrs. Roderrick Rainford, R#1, Frankfort and the son of Mr. and Mrs. Ray Brock, R#4, Champagne.

Guest soloist was Miss Lorna Miller accompanied by organist, Mrs. Roger Corp.

The bride, escorted by her father to an altar festooned with vases of mums and gladioli and candelabra on either side, wore a peau de sole gown with a french lace bolero. Her gown was sleeveless with fitted bodice and modified bell skirt. Bias trim completed the oval neckline and piping accented the waistline. The bolero had elbow-length sleeves, scalloped sleeve edges and bottom. Bias trim completed the neckline and formed the tie in the back. Her illusion veil was attached to a cabbage rose headpiece with small pearls on it. She carried a white Bible, a gift of the groom, with white roses and small pink garnet roses. Ribbon streamers fell from the front of the bouquet. The bride completed her outfit with small pearl earrings and wrist length white gloves. (The bride made her gown and veil as well as the bridesmaids dresses and veils.)

Preceding the bride up the aisle was Miss Janet Bauch, cousin of the bride as maid of honor. She wore a powder blue organza over taffeta with a modified bell skirt, fitted bodice, oval neckline, short set in sleeves. The skirt was street length. The cabbage rose headpiece was completed with a short veil. She carried three long stem pink

roses. She wore wristlength white gloves and a small pearl necklace, a gift from the bride. Dressed identically with Miss Bauch was the bridesmaid, Miss Mary Lou Ottenhausen.

Lyle Brock attended his brother as best man and groomsmen was Ray Brownfield, ushers were Roger Rainford, brother of the bride, Curtis Brock, brother of the groom.

A reception for 125 guests followed in Fellowship Hall of the church. Mrs. Roderrick Rainford, mother of the bride, greeted guests wearing a pink dress with pleated skirt, pink flowered hat, white gloves, beige shoes and purse and a pink rose corsage. The bridegroom's mother, Mrs. Ray Brock, wore a medium blue dress with white accessories and a pink carnation corsage.

Honored guests were the grandparents, Mr. and Mrs. Lacy Brock and Mr. Walter Rainford.

Mrs. Curtis Brock served punch, Mrs. Vale Newman, coffee and Mrs. Harry Miller, cake. Miss Jeannie Helsen was in charge of the guest book and Miss Carolyn Patz, gifts.

Their wedding trip included a motor trip to central and southern Illinois. They are now residing in Ashland, Ill., where Alvin, a June graduate from Illinois State university, will teach vocational agriculture.

The bride is a June graduate from Illinois State university.

BARBARA ANN YUNKER

Erwin Yunkers Announce Daughter's Engagement

Mr. and Mrs. Erwin W. Yunker, R#2, Monee, and formerly of Orland Park, are announcing the engagement of their daughter Barbara Ann to Don J. Alexander, son of Mr. and Mrs. Joseph J. Alexander, Jr., 19411 So. Wolf rd., Mokena.

No definite date has been set for the wedding.

Miss Yunker graduated with the 1964 class of Peo-

tone high school, and is now employed at the Alexander, Smith and Shawnee Co. in Chicago, and Alexander attended Lincoln-Way high, and has completed 3 years with the U.S. Air Force, having spent time in Spain and Morocco.

He now has his own business, the Alexander Auto Service in Orland Park.

Celebrate 40th Wedding Anniversary

Mr. and Mrs. Clark Bennett of Pacific ave., Frankfort, celebrated their 40th wedding anniversary Sunday afternoon at the home of their daughter, Mr. and Mrs. Mac Carson, in Hobart, Ind.

Others assisting were their sons, Clark of Rockford and Gene of Chicago Heights. They presented their mother with a red garnet rosebud corsage and their father a boutonniere.

After a social afternoon, a buffet supper was served, including a three tier cake. The table was centered with a floral arrangement of red carnations and white mums flanked on each side with single candelabra.

Guests attending were: Mrs. Bertha Kleper, Mrs. Bertha Nieland, Mr. and Mrs. Burnett Schram and family, Mr. and Mrs. Ralph Nieland and family, Mr. and Mrs. Grant Geuther, Mr. and Mrs. Henry Geuther, and Mr. and Mrs. Joseph Hartung and family of New Lenox.

The honored couple received a purse and gifts from the guests.

By Rosemary

From rice to honeymoon, traditional wedding customs in the United States were first practiced in ancient times. Escorting the bride down the aisle and tying old shoes to cars derives from ancient Egypt where, the bride's father gave her away by handing one of her sandals to the groom. The use of today's ring as a symbol of the lasting quality of love also traces to the Egyptians.

Brides who have young ring bearers are following a custom of medieval Italy, where page boys from wealthy households took part in wedding ceremonies. The tossing of bouquets copies French custom. Those who prefer giving away garters are following a Gallic practice. The wedding trip as a "honeymoon" dates back to the Norse who each day for a month after their nuptials took a sip of mead, a fermented drink of honey, to bring them good luck.

And, finally, women will be pleased to know that the name bridegroom comes from Anglo-Saxon England where it was the custom for the husband to wait on his bride at the wedding feast. He was called the groom or servitor.

Summertime picnics can be more fun and less work if a few simple hints are followed. When packing sandwiches stand them on edge to keep

the bread from getting soggy. Matches can be made waterproof by dipping them in colorless nail polish. A small piece of sandpaper is enough to ignite them when needed. The food load can be easily lightened by using dried instead of fresh fruit.

New summer brightness can be added to the interior of the home with a few simple and easy touches. Drawers of unfinished chests can be done in bright colors. Bathroom accessories can be made vivid red or blue. The mantelpiece can be painted a favorite color and have its whole complexion changed with decorative tiles which pick up colors in the room.

Women who must operate within the narrow confines of tight family budgets will probably look with jaundiced eye at the federal government's far-out expenditure of taxpayers' funds - \$119,000 to study eye and brain development of the mosquito; \$14,700 to investigate the spotting of patterns of frogs and \$54,700 for a look into family functions in contemporary China.
